

§ 4.24

15 CFR Subtitle A (1-1-02 Edition)

Such records in the Department are subject to the provisions of this part to the extent indicated in Appendix C to this part. The exemptions, if any, determined by the agency publishing a general notice shall be invoked and applied by the Department after consultation, as necessary, with that other agency.

§ 4.24 Procedures for making requests for records.

(a) Any individual, regardless of age, who is a citizen of the United States or an alien lawfully admitted for permanent residence into the United States may submit a request to the Department for access to records. The request should be made either in person or by mail addressed to the appropriate office listed in Appendix A to this part.

(b) Requests submitted by mail should include the words "PRIVACY ACT REQUEST" in capital letters at the top of the letter and on the face of the envelope. Any request which is not addressed as specified in paragraph (a) of this section or which is not marked as specified in this paragraph will be so addressed and marked by Department personnel and forwarded immediately to the responsible Privacy Officer. A request which is not properly addressed by the individual will not be deemed to have been "received" for purposes of measuring time periods for response until actual receipt by the Privacy Officer. In each instance when a request so forwarded is received, the Privacy Officer shall notify the individual that his or her request was improperly addressed and the date the request was received at the proper address.

(c) If the request follows an inquiry under § 4.23 in connection with which the individual's identity was established by the Department, the individual need only indicate the record to which access is sought, provide the Department control number assigned to the request, and sign and date the request. If the request is not preceded by an inquiry under § 4.23, the procedures of this section should be followed.

(d) The requirements for identification of individuals seeking access to records are:

(1) *In person.* Each individual making a request in person shall be required to

present satisfactory proof of identity. The means of proof, in the order of preference and priority, are:

(i) A document bearing the individual's photograph (for example, driver's license, passport or military or civilian identification card);

(ii) A document, preferably issued for participation in a Federally-sponsored program, bearing the individual's signature (for example, unemployment insurance book, employer's identification card, national credit card, and professional, craft or union membership card); and,

(iii) A document bearing neither the photograph nor the signature of the individual, preferably issued for participation in a Federally-sponsored program (for example, Medicaid card). If the individual can provide no suitable documentation of identity, the Department will require a signed statement asserting the individual's identity and stipulating that the individual understands the penalty provision of 5 U.S.C. 552a(i)(3) recited in § 4.32(a). In order to avoid any unwarranted disclosure of an individual's records, the Department reserves the right to determine the adequacy of proof of identity offered by any individual, particularly if the request involves a sensitive record.

(2) *Not in person.* If the individual making a request does not appear in person before a Privacy Officer or other employee authorized to determine identity, a certification of a notary public or equivalent officer empowered to administer oaths must accompany the request under the circumstances prescribed in § 4.23(b)(9). The certification in or attached to the letter must be substantially in accordance with the following text:

City of _____ County of _____ ss (Name of individual), who affixed (his) (her) signature below in my presence, came before me, a (title), in and for the aforesaid County and State, this ____ day of _____, 20____, and established (his) (her) identity to my satisfaction. My commission expires _____.
(Signature)

(3) *Parents of minors and legal guardians.* An individual acting as the parent of a minor or the legal guardian of the individual to whom a record pertains shall establish his or her personal identity in the same manner prescribed in

either paragraph (d)(1) or (d)(2) of this section. In addition, such other individual shall establish his or her identity in the representative capacity of parent or legal guardian. In the case of the parent of a minor, the proof of identity shall be a certified or authenticated copy of the minor's birth certificate. In the case of a legal guardian of an individual who has been declared incompetent due to physical or mental incapacity or age by a court of competent jurisdiction, the proof of identity shall be a certified or authenticated copy of the court's order. For purposes of the Act, a parent or legal guardian may represent only a living individual, not a decedent. A parent or legal guardian may be accompanied during personal access to a record by another individual, provided the provisions of § 4.25(f) are satisfied.

(e) If the provisions of this subpart are alleged to impede an individual in exercising his or her right to access, the Department will consider, from an individual making a request, alternative suggestions regarding proof of identity and access to records.

(f) An individual shall not be required to state a reason for or otherwise justify his or her request for access to a record.

§ 4.25 Disclosure of requested records to individuals.

(a)(1) The responsible Privacy Officer shall act promptly upon each request. Every effort will be made to respond within ten working days (i.e., excluding Saturdays, Sundays and legal public holidays) of the date of receipt. If a response cannot be made within ten working days due to unusual circumstances, the Privacy Officer shall send an acknowledgment during that period providing information on the status of the request and asking for any further information that may be necessary to process the request. "Unusual circumstances" shall include circumstances in which:

(i) A search for and collection of requested records from inactive storage, field facilities or other establishments is required;

(ii) A voluminous amount of data is involved;

(iii) Information on other individuals must be separated or expunged from the particular record; or

(iv) Consultations with other agencies having a substantial interest in the determination of the request are necessary.

(2) If the Privacy Officer fails to send an acknowledgment within ten working days, as provided in paragraph (a)(1) of this section, the requester may ask the Assistant General Counsel for Administration to take corrective action. No failure of a Privacy Officer to send an acknowledgment shall confer administrative finality for purposes of judicial review.

(b) Grant of access: (1) *Notification.* An individual shall be granted access to a record pertaining to him or her, unless the provisions of paragraph (g)(1) of this section apply. The Privacy Officer shall notify the individual of a determination to grant access, and provide the following information:

(i) The methods of access, as set forth in paragraph (b)(2) of this section;

(ii) The place at which the record may be inspected;

(iii) The earliest date on which the record may be inspected and the period of time that the records will remain available for inspection. In no event shall the earliest date be later than thirty calendar days from the date of notification;

(iv) The estimated date by which a copy of the record will be mailed and the fee estimate pursuant to § 4.31. In no event shall the estimated date be later than thirty calendar days from the date of notification;

(v) The fact that the individual, if he or she wishes, may be accompanied by another individual during personal access, subject to the procedures set forth in paragraph (f) of this section; and,

(vi) Any additional prerequisites for granting access to a specific record.

(2) *Methods of access.* The following methods of access to records by an individual may be available depending on the circumstances of a given situation:

(i) Inspection in person may be had in the office specified by the Privacy Officer granting access, during the hours indicated in Appendix A to this part;
